

VANEPS KUNNEMAN VANDOORNE IS PROUD THAT DAVE LIQUI LUNG
HAS BEEN SELECTED BY MADURO & CURIEL'S BANK N.V.
AS ONE OF THE PROMISING YOUNG PROFESSIONALS OF OUR SOCIETY

Dave E. Liqui-Lung (32) is a lawyer at VanEps Kunneman VanDoorne. With self-discipline and sacrifice he has made it possible that his dreams came true.

After finishing high school in Curaçao, Dave studied law at the Erasmus University in Rotterdam, The Netherlands. During his study he worked as a student-assistant, in the course of which he met many international students. Hearing how great they experienced doing their master's study in a foreign country, Dave decided to become an exchange student himself at the University of Salamanca in Spain. When he got his law degree, he started applying for a job in The Netherlands and he also made use of his network in Curaçao for the same purpose. This resulted in him obtaining an offer for his present job and he gladly accepted.

Dave represents clients who need legal advice and assistance on civil law matters. Cases he litigates always are between citizens and/or companies. To him each case is interesting and stimulating because he needs to prepare the case thoroughly according to the Civil Code of the Netherlands Antilles and

related regulations. Dave is still learning a lot at the firm and intends to continue growing. His ambition is to become a partner within the next five years. "What I always do, is try to make my dreams come true and enjoy what I'm doing. Through hard work, dedication and self-discipline I have always been able to focus on what I want to achieve. The support of my parents has always been essential."

Dave is a member of the Junior Bar Association ('Jonge Balie') of Curaçao, uniting Young Professionals in this field and of which he was President of the Board. Up last year he was also a member of the Board of the Foundation for the Professional Training of Lawyers.

In 2009 Dave became a member of the Curaçao Lions Club and has been actively involved in the 'Blood Donor Drive' and 'Bon Bisiña' projects. As a volunteer, Dave is also helping out children of the Oranje School with their reading.
